What is YAI Southwest?

YAI SW is a youth-led social justice summit that empowers and trains youth. The purpose of YAI SW is to give youth a voice, the opportunity to share their experiences regarding social justice issues, and to help them become an integral part of the solutions. During this daylong event, we will discuss violence intervention/prevention, advocacy, and how to create change. Topics include sexual and domestic violence, racial justice, and LGBTQ violence and safety.
