TRUE STORIES

IN ARIZONA BY DISMANTLING OPPRESSION AND PROMOTING EQUITY AMONG ALL PEOPLE.

WHY DISMANTLE OPPRESSION?

Domestic violence, sexual assault, and harassment are not isolated issues. They intersect with and are exacerbated by many other forms of oppression, including sexism, racism, elitism, classism, ageism, cissexism, heterosexism, and ableism. To address the root causes of sexual and domestic violence, we must dismantle ALL forms of oppression.

WHY PROMOTE EQUITY?

Equity is a commitment to creating a just and equal society where everyone, irrespective of sex, gender identity, race, ethnicity, national origin, age, disability, sexual orientation, or gender expression, is able to thrive and live free from discrimination, violence, and marginalization.

Equity leads to liberation for all.
